At the annual meeting of the Ash land Cemetery Association, held at Trinity Church, Ashland, May 1st, the following named persons were elected trustees and officers :

Trustees for one year-O. B. Hitch cock, Addison Steele, N. C. Snow. Trustees for two years-Ephraim Bump, Nicholas Martin, Geo. Smith. Trustees for three years .- Alphonso Cobb, Wm. Nickels, Romain Parsons President-Albert Tuttle. Vice President-Edgar Smith. Treasurer-Albert Steele. Scoretary-D. B. Prout. Sexton-William Nickels. The Treasurer's report for the last a years was read and accepted. He

for improvements \$1,530.19. The balance in the Treasurer's hands was ordered to be put at interest for the benefit of the Association.

On motion,

Resolved, That the proceedings of the meeting be published in the WIND. HAM JOURNAL.

The meeting was adjourned sine die. D. B. PROUT, Secretary.

## Lexington Items.

-Mr. Isaac Kipp was "the lucky man" to bid off the mail route from this place to Shandaken.

-"Who will be our next Postmas ter?" is occasionally asked by a portion of our townspeople. At present Mr. Herbert Kipp attends to the business, and will undoubtedly be our next P. M.

-Mr. A. J. Brigs and family have moved to Nyack. Mr. B. has been a resident of this town for a number of years, and during this time has gained a host of friends who regret to have him leave.

-A few evenings ago some of our residents organized a singing school to be called the Lexington Musical Association. At present there are 24 members who meet every Saturday evening at the Reg. Baptist church. The initiation fee is, gentlemen 50 cents, la-

year.

place.

-Mr. MARK RIGGS is repairing his ed proceedings against him, Mr. M., to house, in the village .- SILAS MUNSON is secure his own creditors as far as possi erecting a new building on his prem- ble, at once filed a petition to be adjudgises .- BENHAM AUSTIN has reshingled ed a voluntary bankrupt. This, we his house.-Mrs. LAUGHRAN has her understand he did last Saturday. For new house in "Brooklyn" nicely com- vears he has furnished employment to menced. -- Mr. H. G. Dory has raised a large number of men in this county his garden, and will soon lay a stone and has devoted himself to business sidewalk .- Mr. SYLVESTER AUSTIN in night and day with an energy and contends to lay flagging soon; this will stancy of application, which few men had received \$1,730.19, and expended put flag walks nearly through our vil- would be either mentally or physically

lage on one side. Doings in the County.

-About 5,000 young trout were put in the streams at South Cairo. -Leroy Goodrich, of Cairo, is re-

building the mansion on the Jas. Person

-Rev. E. D. Hammond of Medway, at his house was lately surrounded by of sympathy and regret. The failure penses for rent, gas, etc., which are friends and donated \$67.50.

-We learn that the M. E. Parsonage, this village, is to be subjected to a thorough overhauling. The contemplated repairs will cost something near \$1,000.—Prattsville News.

-C. J. Elmendorff, Esq., of The Forge, does business in Cairo, and for the past fourteen years has walked an average of three miles every day, Sundays excepted. This figures up a total

of 13,146 miles, although there have been enough extra trips to run it up to following resolutions, upon the death 15,000. -- The Coxsackie News says we re-

cently stated an item of that village within a mile of the truth. The same paper charges us with saying "a pound butter milk worth \$1.12 in Catskill.' Of course, we said no such thing.

Why, man, "butter milk" is given away in Windham, and is very cheap everywhere.

Carpets !

amply sufficient in ordinary times to more than meet all his responsibilities -will fall far below meeting his obligations. Mr. Morss states his liabilities at about \$130,000, his assets will

not, it is thought, realize at prices ob tainable at present, more than enough to pay about 30 cents on the dollars.

female child was born to Mr. and Mrs. Sutton. Two weeks after its birth or thereabouts the child's head began to enlarge, and as the child grew in years the abnormal development increased. The hands and limbs were more than ordinarily well formed, but the head became more and more ungainly and repulsive. At the time of her death, which occurred a short time ago, the girl's head measured nearly five feet in circumference, and weighed in the

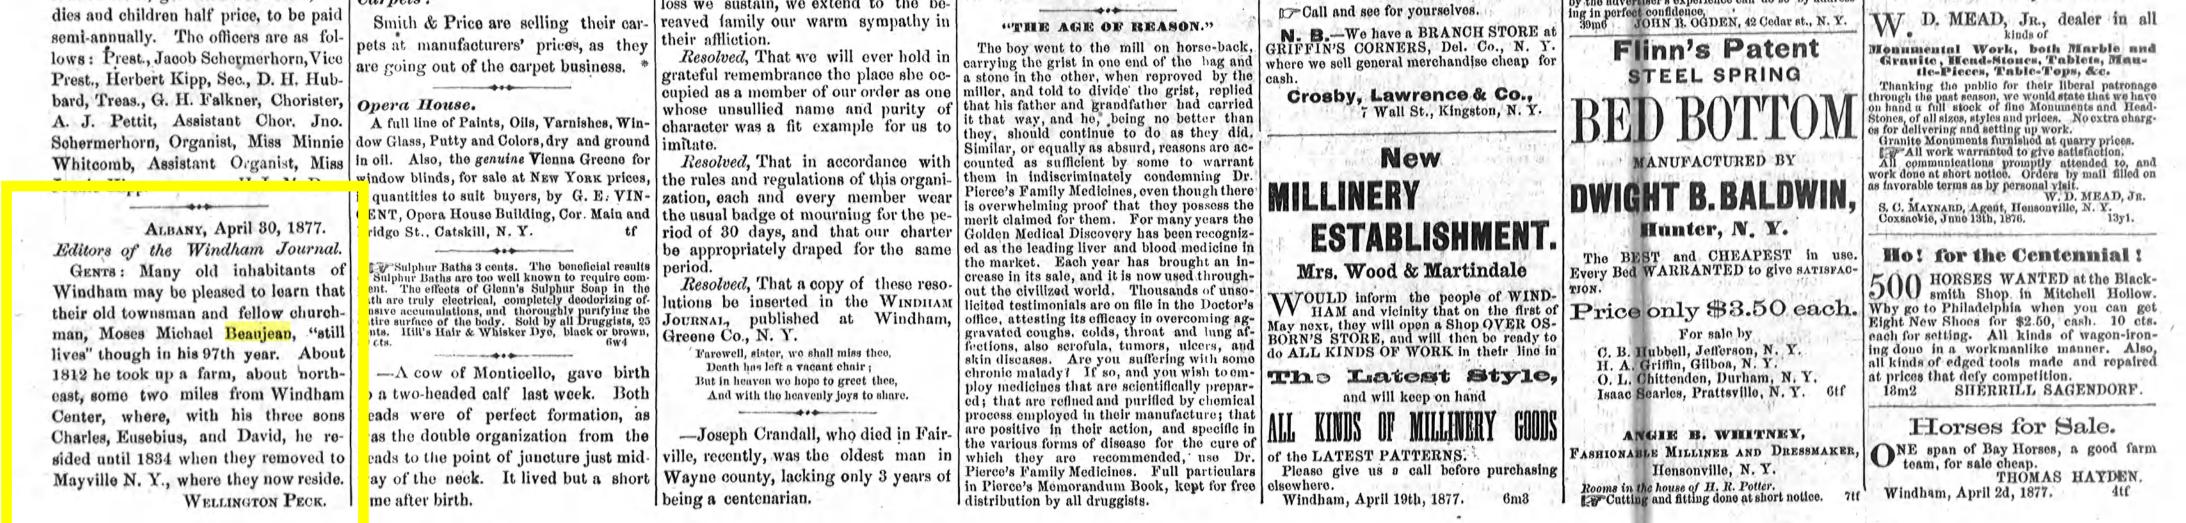

neighborhood of forty pounds. The case, which appears unparalleled in the annals of medical science, is well at-
