

Pythian Sisters.

Louise assembly No. 7 held its regular meeting Friday evening with a fair attendance. Sister Denaple presided in the absence of our e.c. Sister D. C. Kirn is reported sick. It is the very urgent desire that we have a good attendance next meeting night as there is business of importance to be transacted, also to complete arrangements for the lawn fete, which will be given Wednesday evening Aug. 16 at the home of Sister Jane Williams, 107 East State st.
