

Denaple To Head Savings Unit

Personnel Same After Fritz Death

Announcement was made today by R. W. Blanchard, president of North Hollywood Federal Savings and Loan association, of the election of Richard W. Denaple, as executive vice president and secretary, succeeding the late John H. Fritz.

Mr. Denaple's record with the institution includes service as member of board of directors, loan appraiser, building construction inspector and the past eight years as vice president in charge of appraisals and construction. Long active in local service clubs, fraternal and civic affairs, he now has charge of mileage (gas) rationing for this community, is a past president of North Hollywood Kiwanis club, and has had years of experience in real estate, building construction and mortgage loans, here and Spokane, Wash., his former home.

Mr. Blanchard's announcement included the statement there would be no changes in other personnel, the same board of directors, each of whom has served 10 years or more, will continue to actively direct management and policy.

Director personnel includes many pioneer residents; C. W. Crawshaw, business man locally for 23 years; a realty developer and subdivider, now a mortgage loan correspondent, director since 1925. Mr. Crawshaw, first depositor of former Lankershim Building and loan company, still has account No. 1 in the present association.

B. J. Albers, resident since 1895, active early day rancher and fruit grower, later in realty development, a director since 1926;

Earl D. Killion, a resident

since 1908, director and attorney for the association the past 16 years;

M. A. Vargo, realty developer of Toluca Lake since 1923, or-
