

# SOUTHERN BUTLER IS BUYING STUDEBAKERS; SNODGRASS IS LATEST

Roy Heath, chauffeur and assistant salesman for Dr. W. P. Knote, of Douglass, was in El Dorado Wednesday on his way to Toronto, to spend Sunday with his parents.

“We’re putting Studebaker automobiles all over southern Butler,” Heath remarked. “Dr. Knote has just delivered one of the new 1912 models, E. M. F.—30, to Lark Snodgrass of Augusta. It is of the foredoor style and the prettiest car in the county.”
