

hardt and Henry Larson of Germany.

Last Monday Mrs. R. Skienske shot and killed a young man named **Frank Robinson**, who was tending **sheep** camp for Mr. French, in Fox valley near Heppner. Robinson left the Long Creek Republic settlement early Monday morning, and two miles up the creek stopped at Skienske's ranch and asked for breakfast. The woman says she gave him breakfast and that he then got her drunk for a base purpose, and she shot him.
