Name: SANDERS

Location: NEW MARKET TOWNSHIP

MAP No. 170

Remarks: Here is buried John GOSSETT who, in 1801, built the first grist mill in Highland County. He bought the first iron mold-board plow ever used in the county, and in 1809 he became the second representative in the Ohio Legislature from this county.

Here beside this cemetery stood the first Baptist Church in the township. It was built of logs and known as the Old New Market Baptist Church. This church disappeared many years ago.

On Dec. 25, 1823, in Transcribed Book 10, page 392, Highland County Deed Records, John SANDERS and Ann his wife conveyed two acres to Reuben SHEPHERD, Trustee of the New Market Baptist Church "for the purpose of a meeting house and burying ground forever." On March 26, 1875, in Original Book 64, page 311, Dennis SANDERS and Nancy his wife conveyed 72 poles to the Trustees of New Market Township "in consideration of the Trustees of New Market Township building a good substantial (sic) board fence around the lot herein after described for the purpose of a burying ground for the public." Many field stones for monuments. All stones copied.
