

DEMOCRATIC MASS CONVENTION,

TO APPOINT DELEGATES TO THE STATE CONVENTION.

Pursuant to the published call, the Democrats of this county held a "Mass Convention" at the Court House last Saturday, to appoint delegates to the State Convention, to be held at Cleveland, on the 22d. We dropped into the Convention after the ringing of the third bell, and found altogether *nine* of the "unterrified," who composed the "mass" (?) convention! It was a funny sight, and we could not repress a smile. They waited a few moments for the "mass" to materialize, but they did not appear, and we suppose they then concluded they would come to the front *after* the election in the shape of "*blue mass!*"

The Convention organized by electing Frank Lee Chairman, and R. S. Woodrow Secretary. On motion, the following delegates and alternates were elected *viva voce*:

Delegates—Theo. Shepherd, E. M. DeBruin, H. L. Dickey, R. T. Hough, Henry Shepherd, Jno. L. Hughes, C. B. Edwards.
