

## IDENTIFY MURDERED MAN

Said to Have Been Robert Snake,  
827 North Gordy

After being shown a picture of the murdered man found near Erie, Kan., early last week, Mrs. Shepherd, living at No. 827 North Gordy street, yesterday positively identified the victim as being Robert Snake, who roomed at her home while employed in this city in the capacity of a truck driver. Mrs. Shepherd also gave to Chief of Police Mose Burch, when he submitted the photograph for inspection, a slip of paper bearing the name and address of the mother of the deceased. This purports to be Mrs. S. Jacobs, 2521 Hall's Ferry Road, Vicksburg, Miss.
